

Dr Andrew Smith
GPWSI Minor Surgery

MB ChB BSc (First Class Hons) MRCGP PGDip. MinSurg

Dr Smith earned his BSc degree in Medicine at Leeds University Medical School in 2003, graduating with first class honours.

He completed his post-graduate GP training in Harrogate, including six months Dermatology training at Harrogate District Hospital.

Dr Smith qualified as a GP in 2007 and is now a partner at Bingley Medical Practice. He continues to pursue a specialised interest in Dermatology and Minor Surgery, performing regular sessions of Minor Surgery for the NHS at Canalside Healthcare Centre in Bingley. He completed an additional diploma in Minor Surgery and is now an accredited GPWSI Minor Surgery.

Areas of clinical interest: Dermatology, Minor Surgery, Innovative Surgery and General Practice.

Procedures carried out at the Skin Surgery Clinic include Laser and Surgical Mole Removal, Cyst Removal, Skin Tag Removal, Wart and Verruca Treatment and Facial Vein Removal.

GMC Number: 6074404 - Date of Registration: 4/8/2004
